=====

CURRICULUM VITAE (follows)

John Henry Morgan
Bristol, Indiana 46507
Dr.JHM45@gmail.com

PERSONAL

I have been married over 50 years a father of three daughters and twice a grandfather now living on our family farm in Indiana. I am a Free Quaker in the humanistic tradition of the Religious Society of Friends and taught a doctoral-level summer seminar in the Department for Continuing Education in the international program division of Oxford University (UK) for twenty years. My field is the history and philosophy of the social sciences and research areas includes the classical and modern schools of psychotherapy and the history of clinical practice. My most recent work is in clinical psychopathology.

and Change (Oxford University Faculty Monograph Series, 1998)

(Note: Between my postdoctoral appointment at the University of Notre Dame in 1983 and my

Visiting Scholar appointment at Harvard University in 1998, I was Senior Editor for the Rhodes-Fulbright International Library and found it impossible to continue my scholarly publishing in the journals and, therefore, I necessarily restricted my time to edited collections of essays and data-based monographs which I initiated myself. When I left RFIL in 1998, I commenced again to write for the journals.)
