PROJECT CONSULTANT REPORT FORM

Student Name: _____

Degree Program: _____

Project Consultant's Name: _____

The above named student is submitting the accompanying project in partial fulfillment of his/her work for a degree being taken at the Graduate Theological Foundation. Please examine this work as a praxis-oriented educational undertaking reflecting professional talent and insight. In no way are you responsible for nor are you being asked to determine whether the student will be successful in obtaining the degree being pursued.

You are asked to respond and critique in a two to three paragraph narrative response to the project that should accompany this form. Your comments should address the strengths (and any weaknesses, if relevant) of the project, as well as any constructive suggestions for further development. Comments will be shared with the student unless you specifically request that they be kept confidential.

Indicate in each category your evaluation of the candidate's project. If you judge any category as merely adequate or inadequate, please make specific recommendations for revisions.
